## INTRODUCING *JMS-LLC*

JMS services are based on VERY COMPETITIVE WHOLESALE PRICES for turn-key Labor & Materials packages, quality workmanship & fast-track production geared to meet construction schedules on any type or size of project.

JMS specializes in Apartments, Assisted-Livings, Senior Living Facilities, Hotels, Multi-family projects, Condominiums, Townhomes, Commercial Buildings & Tract or Custom Housing, we have done it all. Our company has 40+ years of solid experience & expertise in the Pacific Northwest, southwest & all western states on a wide range of projects. JMS employs qualified, experienced installers and has the manpower, wholesale material suppliers, tools & equipment necessary to excel in today's construction industry.

Most importantly, we understand the wholesale prices, organization & performance needed to meet budgets, expectations & needs of GC's, developers & owners. Our references will attest to this fact! JMS would appreciate the opportunity to submit competitive & timely proposals for: Rough Wood Framing; Hardie Siding; Drywall & Metal Framing; Steel Fabrication & Erection; Concrete Foundations & Slabs. Package discounts are offered for the award of two or more trades.

JMS believes our selection to your team will prove to be a valuable asset to your projects. Our longstanding commitment is to assist our clients to construct successful projects. Give us a call, we'll do our best to impress at all times! JMS is mobile, willing to travel & our material prices are mill direct wholesale based on 100% accurate & guaranteed takeoffs.
